**I'm at a payphone, trying to
call home**

**All of my change I spent on
you**

Where have the times gone?

Baby, it's all wrong

**Where are the plans we made
for two?**

Yeah, I, I know it's hard to
remember

The people we used to be

It's even harder to picture

That you're not here next to me

You say it's too late to make it

But is it too late to try?

And in our time that you wasted

All of our bridges burned down

**I've wasted my nights
You turned out the lights**

Now, I'm paralyzed

Still stuck in that time

When we called it love

**But even the sun sets in
paradise**

Refrain

**If "Happy Ever After" did
exist**

**I would still be holding you
like this**

**All those fairy tales are full of
shit**

**One more fucking love song,
I'll be sick (oh)**

You turned your back on
tomorrow

'Cause you forgot yesterday

I gave you my love to borrow

But you just gave it away

You can't expect me to be fine

I don't expect you to care

I know I've said it before

But all of our bridges burned
down

Pont

**I'm at a payphone, trying to
call home**

**All of my change I spent on
you (oh, oh)**

Where have the times gone?

**Baby, it's all wrong
Where are the plans we made
for two? (Yeah)**

**If "Happy Ever After" did
exist
I would still be holding you
like this
And all those fairy tales are
full of shit
One more fucking love song,
I'll be sick (uh)
Now, I'm at a payphone**

**Man, fuck that shit
I'll be out spending all this
money while you sitting
'round
Wondering why it wasn't you
who came up from nothing
Made it from the bottom,
now, when you see me, I'm
stunning**

**And all of my cars start with a
push of a button
Telling me had chances I blew
up or whatever you call it
Switch the number to my
phone, so you never could call
it
Don't need my name on my
show, you can tell that I'm
balling**

**Swish, what a shame could
have got picked**

**Had a really good game, but
you missed your last shot
So you talk about who you see
at the top
Or what you could've saw, but
sad to say, it's over for**

**Phantom pulled up, valet open
doors
Wished I'd go away, got what
you was looking for
Now, it's me who they want,
so you can go
And take that little piece of
shit with you**

**I'm at a payphone, trying to
call home
All of my change I spent on
you (woo)
Where have the times gone?
Baby, it's all wrong
Where are the plans we made
for two? (Yeah, yeah)**

**If "Happy Ever After" did
exist (oh, yeah)
I would still be holding you
like this
All these fairy tales are full of
shit
Yeah, one more fucking love
song, I'll be sick (yeah)**

Now, I'm at a payphone
